

## Sponsor Jumps Opportunity

Greetings Friend of Mid States Horse Shows,

These past two years have been very exciting for us at Mid States Horse Shows, LLC. We have strived to continue to offer the friendly atmosphere and sense of community that have always been a part of the horse shows, while simultaneously working to improve the competition's caliber. We believe that horse showing should be fun, and part of that fun includes showing at a **quality competition**.

As part of our continued effort to improve the quality of the Mid States Horse Shows, we intend to **add new jumps and breathe new life into our existing ones**. In an effort to expedite this process, Mid States Horse Shows would like to extend the following Sponsor Jump Opportunity for your consideration.

*All jumps will remain property of Mid States Horse Shows, LLC.*

*Sponsors that participate in the options that include constructing a new obstacle, will have the option to buy the fence at the conclusion of the season for discounted pricing.*

*Jumps will be constructed on a first come, first serve basis. Opportunities are limited by various constraints, so please order now!*

*\*Pricing is given in a range and will be calculated in a case by case basis depending on the complexity of design, materials, and labor.*
