Dear exhibitors,

Mid States Horse Shows, LLC is excited to be inviting you to join us for our 2024 season. Each year up to this point has been an exciting adventure in good competition, good friends, growing our businesses, and growing our sport. We hope that you join us in 2024 to continue the adventure!

I wanted to speak more in depth about the comment of “growing our sport” mentioned above. As part of the MSHS mission statement, we have the goal of growing equestrian sport in the Midwest both for exhibitors and for spectators. Part of this goal is simply striving to produce high quality events for the existing exhibitors in our region. We believe that good competition in a fun and friendly environment promotes better horses, better riding, and better horsemanship. Another part of that goal is to produce events that are not just for the existing exhibitors, but events that everyone can enjoy. In an effort to highlight this part of our goal, MSHS will continue the use of the following concepts at our shows:

1. **The USHJA Outreach Program.**
2. **An Invitation for Schooling at our shows during schooling day.**

So, let me elaborate.

1. The **USHJA Outreach Program** is designed to help bridge the gap that exists between USEF rated shows, and non-rated events. Outreach shows offer several classes that range up to 3’ in height in hunters, and equitation, and up to 1.20m in jumpers. Horses competing in Outreach classes DO NOT need to be recorded with the USHJA, and riders DO NOT need to be members of the USEF or USHJA, with the following exceptions. A rider **MUST** be a member of the USHJA at the Outreach level or above to compete in the Outreach Medal classes. A rider **MUST** be a member of the USHJA at the Outreach level or above to earn points, certificates of merit, and national recognition. **The USHJA Outreach membership is FREE!** Through the addition of Outreach shows at our competitions we hope to welcome those equine enthusiasts who typically do not attend rated events to come try us out and see the benefits of rated competitions (quality judging and course designing, quality show jumps, quality footing, equine drug and medication regulation, and the educational benefits offered through the USHJA and US Equestrian).
2. MSHS invites equine enthusiasts to join us for **open schooling on “schooling day”** at our competitions. This invitation is geared towards young horses, but is open for all. We welcome riders of young horses, and all equestrians in general, to gain valuable mileage by exposing their horses and themselves to new environments. We recognize the value in establishing a pipeline in our sport, and we hope this is a good way to do it. Schooling during schooling day of our horse shows will always be free to those exhibitors entered in the horse show, however, we welcome those who don’t want to compete to join us on our schooling days to gain that valuable mileage. The cost is \$45 per young horse, or \$85 for other horse/rider combinations.

We hope by offering these new opportunities at our events that we can help to accomplish our goal of promoting, growing, and strengthening equestrian sport in the Midwest. We would love to see you at our shows in 2024!

Kind regards,

Dan Urban

2024 COVID-19 PROTOCOLS AND BEST PRACTICES

The following document outlines the protocols, guidelines, and best practices that will be in place during the Mid States Horse Shows, LLC's shows taking place in the 2024 calendar year at the North Iowa Events Center in Mason City, IA. These protocols have been developed based on the guidelines set forth by the World Health Organization (WHO), the Centers for Disease Control (CDC), the United States Equestrian Federation (USEF), and the governments of Iowa and Cerro Gordo County. All persons involved in the shows including, but not limited to, staff, officials, volunteers, vendors, exhibitors, trainers, grooms, parents/guardians, spectators, and other support staff must adhere to the protocols set forth in this document. In accordance with GR702.1 and GR914 the competition organizer and/or a USEF Steward/Technical Delegate has the authority to remove from the facility any person who does not comply with the regulations and requirements in effect at the competition. Removal of a person from the competition grounds must, and will be, documented by the USEF Steward/Technical Delegate in their report to the USEF. **Trainers will be considered responsible for the conduct and adherence to the protocols for all individuals associated with their entries.**

We at MSHS strongly recommend and respectfully request that anyone interested in attending these horse shows should self-monitor for COVID-19 symptoms daily prior to entering the competition grounds. We encourage you not to attend if:

1. You exhibit any COVID-19 symptoms including, but not limited to, a fever of 100.4°F (38°C), cough, or shortness of breath.
2. Have tested positive or have been presumed positive for COVID-19 at any time in the last 5 days.
3. Have tested positive outside of the past 5 days but are still symptomatic.

We at Mid States Horse Shows, LLC (MSHS) strongly request that if you are not feeling well in any capacity that you stay home and not attend our events. It is everyone's responsibility to take the necessary steps to ensure the safety of yourself and others.

To maintain a quality showing experience we recommend that each exhibitor adhere to the following guidelines:

Prior to Attending the events

Planning:

In order to ensure a safe and quality product, MSHS requests that anyone interested in attending provide as much information to management as possible. This includes:

- Stall Counts.
- Exhibitors in attendance. Names and emergency contacts are preferred.
- Horses in attendance. Names and recording numbers are preferred, but at the very least a count is requested.
- Classes and divisions that an exhibitor is interested in.
- Shavings, Hay, and Feed estimations.
- Golf Cart Rentals.
- Signed USEF Release and Waiver. Available for download on the MSHS website. Digital submission to Patrice at purbs1@aol.com is preferred.
- Proof of Vaccinations, Negative Coggins, and other Health Documents are requested to be sent digitally to Patrice at purbs1@aol.com prior to arrival.
- Ensure that Safe Sport and Microchipping information is current.
- Arrival and Departure estimations.

The most efficient way to provide this information is via the Entry Blanks, Stabling Reservation Forms, Waivers, and other applicable documents that will be available on the UEE website: www.urbanequineevents.com, and then submitting said forms directly to Patrice Urban at purbs1@aol.com.

Entries:

- Electronic entries are the preferred method for entering these events. The entries may be submitted in the following formats:
 1. Online via the horse show program: www.horseshowonline.com. The show program will be set up so that trainers and individuals may enter the horse show digitally.
 2. Online via Equestrian Connect. Entries may be submitted electronically by visiting our online entry partner www.equestrianconnect.com.
 3. Digitally, by emailing the fillable PDF documents to Patrice Urban at purbs1@aol.com
 - a. Download the Entry Blanks from www.urbanequineevents.com/midstates-horse-shows
 - b. Fill out the fillable PDF form.
 - c. Save the completed PDF form.

- d. Email the completed PDF form to Patrice Urban at purbs1@aol.com
4. Digitally, by filling out the entry hard copies and then submitting them electronically directly to Patrice Urban at purbs1@aol.com.
 - a. Download the Entry Blanks from www.urbanequineevents.com/midstates-horse-shows
 - b. Print the Entry Blanks
 - c. Fill the Entry Blanks out with all applicable information.
 - d. Scan the completed Entry Blanks, OR, take a clear and legible picture of all sides of the Entry Blanks.
 - e. Email the completed scanned or photographed entry blanks directly to Patrice at purbs1@aol.com
- Complete entries are requested and include all applicable information and class entries. If you cannot submit entries in the above-mentioned formats, please contact Patrice Urban directly at 402-689-0669 or purbs1@aol.com.

During the Competition and While on Grounds

General:

- MSHS and USEF will require a signed USEF Waiver and Release of Liability document that includes providing emergency contact information to management.
- Although masks are not currently required, no exhibitor will be eliminated or otherwise penalized for wearing a mask or face covering while competing.
- MSHS encourages all participants to take responsibility for providing your own personal protective equipment (PPE) and general supplies. This includes, but is not limited to water, food, cleaning products, and other supplies. General health recommendations discourage the communal use of grooming supplies, lead ropes, halters, and tack/equipment. The best practice is to use your own!

Horse Show Office:

- MSHS and USEF strongly encourage all exhibitors to complete their entry forms, in their entirety, including having all required memberships in place, prior to entering the competition office.
- MSHS encourages our exhibitors to perform office duties digitally whenever possible. See below for daily Adds/Scratches.
- Adds/Scratches: Adds and Scratches MUST be completed by 5:00pm the night before the next day's competition. It is preferred that adds/scratches are performed online via www.horsheshowsonline.com.

Emergency Plan

In the event that there is a medical emergency the following measures will followed:

Sport related injury: All normal protocols will be taken.

- On-site Medical personnel will attend to and assess the injured person.
- If the on-site medical personnel determines that medical transport is needed, then management will call for transport to the nearest medical facility.
- If the on-site medical personnel determines that medical transport is not needed, then management will follow the recommendations of the on-site medical personnel, and all other rules set forth from the USEF.

COVID-19/Illness related incident: If someone on grounds displays signs of illness or symptoms commonly associated with COVID-19 the following procedures will be taken.

- Consult with the on-site medical personnel.
- Determine whether or not immediate isolation is needed. In such a case the person will be moved to a separate indoor room on the grounds and will be tended to accordingly until further plan is determined.
- In consultation with the on-site medical personnel, if transportation to the nearest medical facility is required, then it will be arranged.
- Ultimately, the person in question will be encouraged to check in at the nearest medical facility for evaluation and potential testing.

Sincerely,

Dan Urban and all at Mid States Hores Shows, LLC
